The purpose of my email is to retain connection and communication within our beloved dance community, for the dancers, instructors, studios, and dance clubs. It is my wish to inspire and encourage dancers to dance with life every day, and to be in the moment with the dance of life. There are many options for dancing: in person and online dances + group and private lessons + practicing dancing in our homes. I am not dancing consistently at this time, but when I am, I will put a heart on the poster and state I'll be here". Please come and say "hi" to me when you're at a dance. You are always welcome to sit with me as well. I will never disclose or share your email address with any person or business. It is for the sole purpose of this dance email. If you have been forwarded this email, and would like to receive it directly to your inbox, please send me an email to kimymaksym@gmail.com, so I can add you. If you would like to be removed from my list, please reply to my email with "unsubscribe" in the subject line. Love & Blessings, xo Kim

The Argentine Tango Community is growing and thriving in Edmonton!

Practicas: Mondays at Parkdale-Cromdale Community League, 11335 85 St. NW, Edm.
Entry is \$5. Just bring your water bottle and change to smooth indoor shoes.

- 7pm is a group warmup & introductory lessons.
- 8-10 pm is a dance (practice, questions, tips, socializing over nibbles)
- Everyone is welcome - no partner is required - dress for comfort

Thursdays at Parkdale-Cromdale - There are two components:

6:30 - 7:30, Slo-Mo Tango. This blends introductory tango, with an adaptive movement program (those with some mobility challenges may limit their participation in regular class, whereas here there is personalized support to help increase mobility. Registration required).

7:30-9, Tango Secrets. This is for those who understand basics and want to build their repertoire, their technique, and their subtlety. Beginning with body conditioning exercises, followed by understanding embrace options, combinations of sequences, musicality, and tips from maestros. 9-9:30, open practice time

Pam & Rayond teach Mondays and Thursdays, alternating with Vince.

There are two milongas a month.

1. **Edmonton Tango Bar, at Foot Notes Dance Studio**, 9708-45 Ave NW. Edm.
 - This is held on the second Saturday of each month
 - 8:30 – 11:30pm, & entrance is \$20 with drinks & beautiful nibbles included
 - Traditional tango music from the Golden Age of Tango
 - Beautiful dance floor
2. **YEG Tango Milonga at La Boca Loca Restaurant**, 3903 99 St., Edm.
 - **This is held on the 4th Saturday of each month**
 - 8:30–11pm. Entrance only \$15 with a drink from the bar included (alcoholic or not)
 - Friendly environment with tables around the central dance area
 - Many people also enjoy the authentic Latin food.
3. On months with a **5th Saturday**, an additional Milonga will be held. This will feature alternative & traditional tango music.

Pam Wight can be contacted for any information about Tango in Edmonton, including group or private classes, workshops, dances (milongas), practices, performances, or pop-up events. Contact 780-940-2340 or pamwight@superiway.net

A bride and groom are dancing in a wedding hall. The bride is wearing a white wedding dress with a veil and a large white flower in her hair. The groom is wearing a black tuxedo with a white shirt and a black bow tie. They are holding each other and looking at each other. In the background, there are stage lights and other people.

DANCE RESOURCES

I often receive emails regarding dress code. Sometimes, it is very straightforward what to wear, but other times it's vague. Jeans or no jeans ... tie or no tie. Dress codes really vary, and in dance they can be quite blurred. This will be my simplest version of dress code categories defined in respect to various styles of dance and dances I advertise, so that you won't be over or under dressed and hopefully not confused. Always dress to impress! Dress in a way that represents you and in clothes you are comfortable to dance in. Always be yourself. For women, if you are not comfortable in a dress, dressy pant sets are always just fine. I know a man who always wears dress pants, with a pleated white tuxedo shirt, cummerbund & bow tie to all semi-formal dances.

THEME / CREATIVE / COSTUME

I will combine this with one of the following categories. For example, a country themed dance would allow for cowboy boots/hats for men, and cowgirl boots for women. I would combine this with the DRESSY CASUAL category. Another example would be the Sugar Swing Dance Club, where you will see a lot of sneakers and vintage attire, in combination with CASUAL or DRESSY CASUAL.

CASUAL (relaxed, informal)

Anything goes. T-shirts, jeans and shorts are acceptable in this category (blues & swing).

DRESSY CASUAL (informal, smart & stylish)

Women: Your closet will be filled with many choices. Basically any kind of dress, skirt and blouse, dressy pant sets, dressy pants or dressier blue jeans, with a nice blouse.

Men: Ties are not required. You can choose to wear a sport coat in any colour or fabric you desire or no jacket. Any type of pants from dressier jeans, khaki, or cords to dressier trousers. Shirts must be collared and can be open-collared, button down, or polo/golf shirts.

SEMI - FORMAL (remember - this word means partly formal, so dressier is a key word)

No Blue Jeans, khakis or cords.

Women: Dressy evening separates (pant sets, pants or skirt & blouse) or a cocktail dress which is a shorter dress (from above the knee to mid calf). Every woman has that little black dress in her closet!

Men: Dress trousers, collared button down dress shirts, tie or no tie, festive holiday ties, and a jacket.

FORMAL

Women: floor length gown or a dressy cocktail dress (above knee to mid calf)

This is very appropriate for dance as it's hard to dance swing dances in long gowns.

Men: Dark suit, shirt and tie with or without a vest OR black tuxedo with a white shirt, bow-tie, cummerbund or vest. Black dress socks and black shoes. Note: The tux is only for Black Tie events, but many do like to wear them at formal events.

FORMAL - BLACK TIE

Women: long, floor - length evening gown & lovely jewelry & accessories
(for ie. at the Strauss Ball I wore long white gloves)

Men: Black tuxedo with black shirt, black bow-tie, black cummerbund or vest. Black dress socks and black shoes.

ULTRA FORMAL - WHITE TIE

Women: same as for Black Tie

Men: black jackets with tails and matching trousers that have a single stripe or braid running down the side + a white shirt, white vest, white bow tie & cufflinks, black socks & shoes or uniforms, or Scottish Highland attire (ie. I saw a few men dressed in kilts at a Robbie Burns themed event at Les Amies)

Testimonials from Dancers

"I've taken my dance shoes in for repair twice. I am very pleased with their service. The repairs have been excellent and the charges reasonable. I do suggest to call in ahead if for ie. you need a specific colour of suede. I just dropped in one of the times for my shoes needing stitching, and they were repaired quickly so I just stayed in the mall awhile."

-Don

"Got my shoes done which needed stretching a bit and they did a good job. They also do custom made dance shoes."

-Mark

If you do get your dance shoes repaired at Shoemasters, I would really appreciate you emailing me a testimonial for this dance newsletter. Thank you. Kim
